RE: April End of Month Report

DT: May 7, 2012

Honorable Board of Selectmen,

During the month of April, two of the new Reserve Officers, Brandon Fullam and Charles Reardon, were release from field training status and began working shifts alone. Their quick release from training status is due to their previous experience as police officers. Officers Joel Wilson and Ryan Downing continue on the field training program and will be evaluated in mid May.

On April 18th, Sgt Pariseau and Officer White attended an active shooter training held at the Leicester Elementary School. The class was taught by members of the Central Massachusetts Law Enforcement Council. There was no charge to attend this class.

Officer White and Administrative Clerk Holly Chisholm attended a four day Child Passenger Safety class the last week in April. This class was held by the National Child Passenger Safety Certification Training Program. Holly and Ofc. White are now certified to inspect and install child safety seats. The Department will now offer this service to the residents of Brookfield free of charge.

During the month of April, the Department responded to 277 calls for service. The following three pages are a break down of the calls for service.
