

The Quarterly Newsletter is designed to keep you up to date on Public Health Excellence grant, valuable information, community events, and resources in your area.

COMMUNITY HEALTH: NURSING CORNER

Monthly blood pressure and glucose clinics are offered through partnerships with senior centers, housing authorities, and libraries.

The Public Health Nurse has held several clinics, providing education and raising awareness about blood pressure and other health issues..

The nurse has also attended several community events to provide clinics.

Two new clinic locations have been added: the Leicester and Barre Housing Authorities.

Clinic Locations:
